

Operation Support Our Troops (OSOT)

Operation Support our Troops was founded in 2003. This has become one of the largest volunteer based military support organizations in the country. As a 501(c)3 non-profit organization, they provide comfort and care at home and away to active duty military, families and veterans.

Their mission is to support the morale and well-being of American forces by providing comfort, resources and education to them and their families both while they are deployed in harm's way and after their return. This is accomplished by providing a link between the citizens and military personnel of items that are not readily available to the troops in their deployed locations along with personal letters, cards and notes of support from the community at large.

As has been done in the past, we will be collecting donations for the troops. Donations can be dropped off at the Village hall through November 30th. Please see the list below of the top 12 immediate need items. **The top five items are out of stock on the shelves at OSOT and are urgently needed to fill the boxes.**
