**DEPARTMENT REPORTS:**

Fire Chief Meyer informed us that there is a box in the lobby that people can recycle rechargeable batteries. A couple of weeks ago they turned in 48 pounds of rechargeable batteries. We got a letter today from the Illinois Fire Marshall. We participated in the Illinois Fire Protection Training Act. Every year we file for reimbursement for some of our eligible training expenses such as tuition, salaries of our students while they are in class etc. We learned that we received \$10,829.67 this year. This is a record. In addition, the Chief reminded us that NiCor has been doing a considerable amount of construction on the west side of our village. They are putting in new gas mains and moving meters. He asked that people take care navigating in the area.

**Deputy Police Chief Frank Figueroa provided the following information: As some of you know, last month the Police and Fire Commission posted a new eligibility list for police officers. The Village hired two probationary police officers from this list. Both were sworn in on March 28<sup>th</sup>. Prior to being sworn in, both candidates had to successfully complete a pre-employment polygraph test, psychological examination, medical examination and a background investigation. Once they completed the pre-employment screening process, they were subject to a power test prior to being accepted into the Police Academy.**

**On April 2, both candidates started their Police Academy Training at the College of DuPage's Suburban Law Enforcement Academy Homeland Security Education Center. This 65,000 square foot state-of-the-art facility is the first of its kind in the Midwest. When the Chief and I, along with President O'Reilly, toured this facility back in February, we were in awe and excited to send our new recruits to this academy.**

**Our first recruit, who was #1 on our eligibility list, is Maria E. Guzman. Maria is the first female police officer to be hired in the history of the village, a fact that she is very proud of and is excited at the opportunity to serve our community. Maria grew up in Chicago and is a graduate of the University of Illinois at Chicago where she earned her bachelor's degree. Prior to coming to work for the village, Maria was a linguist with the U.S. Department of Homeland Security/Immigration Customs Enforcement. Before that, Maria was employed as a linguist for the Federal Bureau of Investigation for three years.**

**Our second recruit is Sean C. Poindexter. Sean is a local boy who grew up in Cicero, went to St. Leonard's in Berwyn, and St. Joseph's in Westchester. Sean graduated from Marquette University in Milwaukee, WI, where he earned his bachelor's degree. Prior to his employment with the village, Sean served in the United States Navy where he was a Student Naval Aviator and then went on to become a Naval Intelligence Officer. Sean still serves in the United States Navy Reserves and will continue to fulfill his obligation to the military upon completing his academy training.**

**I am pleased to report that both candidates who are now in their 3<sup>rd</sup> week of their 12 week academy training, are progressing very well. I look forward to visiting the academy in the coming weeks to observe both Maria and Sean in their training and observe their progress. I know that our 3 Field Training Officers are looking forward to training both new recruits who will be the first to go through our new Field Training and Evaluation Program.**

**Trustee Walik moved, duly seconded by Trustee Mares to go into executive session to discuss and consider the hiring, discipline, performance and compensation of certain personnel, matters of collective bargaining, acquisition of real property and matters of pending probable or imminent litigation.**
