

ORDINANCE NO. 2019-15

AN ORDINANCE AMENDING CHAPTER 70, ARTICLE II OF THE MUNICIPAL CODE, VILLAGE OF STICKNEY, ILLINOIS REGARDING REFUSE, RECYCLABLES AND YARD WASTE

WHEREAS, the Village of Stickney (the “Village”) is a home rule municipal corporation in accordance with Article VII, Section 6(a) of the Constitution of the State of Illinois of 1970; and

WHEREAS, the Village has the authority to adopt ordinances and to promulgate rules and regulations that pertain to its government and affairs, and to review, interpret and amend its ordinances, rules and regulations; and

WHEREAS, the Village President (the “President”) and the Board of Trustees of the Village (the “Village Board” and with the President, the “Corporate Authorities”) are committed to ensuring the health, safety and welfare of individuals residing in, working in and visiting the Village; and

WHEREAS, the Municipal Code, Village of Stickney, Illinois (the “Village Code”) currently sets forth certain regulations regarding the disposal of refuse, recyclables and yard waste within the Village (the “Existing Regulations”); and

WHEREAS, the Corporate Authorities recognize the need to amend, update and clarify the Existing Regulations from time to time; and

WHEREAS, the Corporate Authorities find that in order to continue to prevent disease, unsanitary conditions, and rat, rodent and pest infestation, the Existing Regulations must be amended and updated as they relate to refuse, recyclables and yard waste and abatement of any nuisances related to same; and

WHEREAS, the Corporate Authorities recognize this nuisance and threat to the health, safety and welfare of the community; and

WHEREAS, based upon the foregoing, the Corporate Authorities have determined that it is in the best interests of the Village and its residents to amend Chapter 70, Article II of the Village Code as set forth below;

NOW, THEREFORE, BE IT ORDAINED BY THE PRESIDENT AND BOARD OF TRUSTEES OF THE VILLAGE OF STICKNEY, COOK COUNTY, ILLINOIS, as follows:

**ARTICLE I.
IN GENERAL**

SECTION 1. INCORPORATION CLAUSE.

The Corporate Authorities hereby find that all of the recitals hereinbefore stated as contained in the preambles to this Ordinance are full, true and correct and do hereby, by reference, incorporate and make them part of this Ordinance as legislative findings.

SECTION 2. PURPOSE.

The purpose of this Ordinance is to amend Chapter 70, Article II of the Village Code to update, amend, and clarify the Village's Existing Regulations, and to authorize the President or his designee to take all actions necessary to carry out the intent of this Ordinance.

**ARTICLE II.
AMENDMENT OF CHAPTER 70, ARTICLE II OF THE MUNICIPAL CODE, VILLAGE OF
STICKNEY, ILLINOIS**

SECTION 3. AMENDMENT OF CHAPTER 70, ARTICLE II

That the Village Code is hereby amended, notwithstanding any provision, ordinance, resolution or Village Code section to the contrary, by amending Chapter 70, Article II by striking out any language to be removed or repealed and underlining new language as follows:

Chapter 70 - SOLID WASTE

**ARTICLE II. - REFUSE, RECYCLABLES AND YARD WASTE
DIVISION 1. - GENERALLY**

Sec. 70-31. - Scope of article.

The provisions of this article shall govern the collection and disposal of refuse, recyclables and yard waste accumulated in the village.

Sec. 70-32. - Definitions.

The following words, terms and phrases, when used in this article, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

Ashes means the residue from the burning of wood, coal, coke, or other combustible materials.

Commercial waste means the waste material resulting from operation of business enterprises, offices and institutions including foodstores.

Construction and demolition debris or *debris* means the waste material resulting from building construction, alteration, demolition or repair, and shall include dirt from excavations.

Industrial waste means the waste material resulting from industrial operations.

Electronic products (or e-waste) means electronic products as defined in the Illinois Electronic Products Recycling and Reuse Act (415 ILCS 5/1 et seq., as amended), and shall include but not be limited to the following: electronic televisions, microwaves, printers, electronic keyboards, electronic mice, cable receivers, satellite receivers, monitors, facsimile machines, video cassette recorders, digital video disc (DVD) players, digital video disc (DVD) recorders, digital converter boxes, computers (including tablets), scanners, stereo equipment and speakers, portable digital music players, small scale servers, video game consoles, and cellphones.

Large household items means furniture including, but not limited to, mattresses, box springs, sofas, chairs, tables, bookcases, and other similar items of such category weighing more than 20 50 pounds, and ~~appliances including, but not limited to,~~

televisions, microwaves, water softeners, and other similar items of such category weighing more than ~~20~~ 50 pounds.

Litter means refuse or other such debris or substances placed on or allowed to remain on the ground.

Multifamily structure means a building with more than ~~one~~ two residential dwelling unit which is not included in the village-provided or contracted curbside and alley refuse, recyclables, and yard waste collection service. A multifamily property may consist of one or more multifamily structures. Multifamily units must provide for and contract with their own reuse removal and recycling services.

Owner means any persons, corporation, partnership, or entity such as a condominium or homeowners association, jointly and severally having an ownership in a multifamily property or being otherwise responsible for refuse collection.

Recyclables or recyclable materials means newspaper, aluminum and steel food or beverage cans, glass containers, plastic containers, and any other materials designated or approved by the village for recycling by a licensed refuse collector operating within or contracted by the village.

Recycling means the collection and processing of recyclables into raw materials without destruction in a manner that precludes further use of such materials in the manufacturing of new, reusable, or reconstituted products. Recycling does not include landfilling, incineration, or composting for volume reduction, disposal, or energy recovery.

Refuse means all discarded and unwanted materials, including putrescible and nonputrescible household and kitchen wastes, as follows:

(1) All food and food residues, including animal, fish, fowl, fruit or vegetable matter, and materials necessarily used for packaging, storing, preparing and consuming food residues, commonly defined as "garbage"; and

(2) All waste materials resulting from the usual routine of domestic housekeeping, including but not limited to aluminum and steel cans; glass containers; plastic containers, crockery and other containers; metal; paper of all types, including newspapers, books, magazines, and catalogs; boxes and cartons; cold ashes; furniture, furnishings and fixtures; household appliances of all kinds; textiles and leather; toys and recreational equipment; and similar items, and small amounts of construction materials resulting from do-it-yourself-scale household repair, construction or remodeling projects; and

For purposes of this definition, the terms "garbage," "refuse," "rubbish," "trash," and "waste" shall be considered synonymous.

Refuse collector means any person engaged in the removal of refuse, debris, commercial waste or industrial waste, from private dwellings, stores, offices industries, hotels and motels, restaurants, cafes, clinics, hospitals, health care facilities, and other places not otherwise provided for by the village.

Residential dwelling unit means each residential dwelling unit within the village that is receiving refuse, recyclables and yard waste collection services at the curbside or alley.

Right-of-way means any street, alley, parkway, sidewalk or other land or waterway dedicated or commonly used for pedestrian or vehicular traffic or other similar purposes, including utility easements.

Solid waste means residential waste, defined in this section as refuse, commercial waste, industrial waste, construction and demolition debris, and yard waste.

Source separation means a process that separates recyclables from other refuse prior to collection for the purpose of recycling such materials.

White goods means appliances containing hazardous components as defined in 415 ILCS 5/22.27 including, but not limited to, stoves, refrigerators, freezers, washers, dryers, dishwashers, air conditioners, humidifiers, dehumidifiers, hot water heaters, furnaces and trash compactors.

Yard waste means waste materials from indoor or outdoor vegetation and landscape areas of residential dwelling units, including leaves, grass, branches, plant materials and Christmas trees.

Sec. 70-33. - Littering.

(a) It shall be unlawful for any person to deposit anywhere in the village any uncovered pile of refuse, offal, or the carcass of any dead animal. Any such uncovered pile of refuse, offal or carcass of any dead animal is hereby declared to be a nuisance.

(b) No person shall place any refuse in any street, alley or other public place, or upon any private property whether owned by such person or not, within the village except in proper containers for collection or under express approval granted by the village supervisor. No person shall throw or deposit any refuse in any stream or other body of water. Any unauthorized accumulation of refuse on any premises is hereby declared to be a nuisance and is prohibited.

(c) No person shall cast, place, sweep, or deposit anywhere within the village any refuse in such a manner that it may be carried or deposited by the elements upon any street, sidewalk, alley, sewer, parkway or other public place, or into any occupied, or unoccupied premises within the village.

Sec. 70-34. - Collection from single-family residences.

(a) Refuse accumulated from single-family residences of the village shall be collected, conveyed and disposed of by the village or its contractor or agent under the supervision of the supervisor of public works. The supervisor of public works shall have the authority to make regulations concerning the days of collection, type and location of waste containers and such other matters pertaining to the collection, conveyance and disposal as he shall find necessary, and to change and modify the same after notice, provided that such regulations are not contrary to the provisions hereof. Any person aggrieved by a regulation of the supervisor of public works shall have the right of appeal to the president and board of trustees who shall have the authority to confirm, modify, or revoke any such regulation.

(b) The fee for such collection shall be as follows for each housekeeping unit:

- (1) As of June 1, 2018, the rate for each housekeeping unit shall be \$14.00 per month;
- (2) As of June 1, 2019, the rate for each housekeeping unit shall be \$15.00 per month;

- (3) As of June 1, 2020, the rate for each housekeeping unit shall be \$16.00 per month;
- (4) As of June 1, 2021, the rate for each housekeeping unit shall be \$17.00 per month;
- (5) As of June 1, 2022, the rate for each housekeeping unit shall be \$18.00 per month.

(c) All bills rendered shall be paid within 30 days of the date on which the bill is rendered.

(d) All bills for the refuse service charge shall be rendered by the village collector at the same time as the bills for water service charges are rendered.

Sec. 70-35. - Disposal of refuse from nonresidential establishments.

All hotels, motels, rooming houses, multifamily structures, condominiums and condominium buildings, restaurants, stores, commercial or industrial establishments, and other businesses and institutions, which produce an aggregate quantity in excess of 96 gallons of refuse within a period of seven (7) days, are hereby required to provide, at their own cost and expense, for the collecting, conveying and disposing of such refuse. It shall be the duty of the owner of the building or unit described herein to provide a sufficient refuse container(s), in size and quantity, and in good condition and repair, to meet its waste generation needs, so as not to allow the container(s) to overflow. Multifamily structures shall provide refuse collection containers, at their own cost and expense, at least one (1) cubic yard per unit, meaning for example that a three (3) unit building requires a three (3) cubic yard container and the refuse shall be picked up no less than one (1) time per week. ~~Multifamily structures containing more than four residential units are required to provide, at their own cost and expense, refuse collection pickup a minimum of two times per week. Such~~ All collectors of refuse from outside of the village shall be subject to all of the rules and regulations provided in this article, excepting only as to the quantities of refuse and the facilities for the precollection thereof.

Sec. 70-36. - Maintaining sidewalks, parkways, alleys and parking areas adjacent to businesses and commercial establishments.

Persons owning, occupying or in control of any business or commercial premises shall keep the sidewalks, alleys, parkways and parking areas adjacent thereto free of litter. All owners or persons controlling such business or commercial premises within the village shall, at least once each 24 hours, except when the business is closed, sweep the sidewalks, alleys and parking areas adjacent to their premises and gather up and remove all loose paper and refuse.

Sec. 70-37. - Flashing lights required on certain dumpsters.

(a) In order to protect the health, safety and welfare of the residents of the village, it is necessary to require flashing lights on dumpsters when they are located in certain positions as detailed in this section to provide greater visibility of the dumpster.

(b) Containers with a capacity in excess of five (5) yards for refuse and similar materials, which containers are commonly referred to as "dumpsters," shall be equipped with flashing lights when such dumpsters are located, in whole or in part, on any street in the village. The flashing lights shall be attached to or hung on the dumpster in the direction or directions of oncoming traffic and shall be located as far into the street as possible on the side or sides of the dumpster facing such oncoming traffic.

Sec. 70-38. – Mandated recycling from multifamily structures and businesses.

~~(a) The owner or occupant of each business and each multifamily structure and unit in the village shall provide for recycling at their building or unit, whichever is applicable. ~~cooperate and comply with the recycling program of the village. All recyclables shall be separated from other refuse, grouped together by like material and placed for collection in specifically designated containers provided by the village according to the collection schedule of the village. Owners shall notify their tenants, if any, of the recycling program of the village. All recyclables collected and deposited as provided in this section shall be the property of the village, and it shall be unlawful for any person to remove or confiscate any recyclables placed in a designated container.~~~~

(b) The owner of each multifamily structure shall maintain a recycling area for residents or occupants, which area shall be located in or near each such multifamily structure.

~~(c) The fee for collection of recyclables from multifamily structures shall be \$2.00 per one-month period for each housekeeping unit. All bills rendered for the recycling service charge shall be paid within 15 days of the date on which the bill is rendered. If payment is not made within the 15 days, a penalty of ten percent shall be added to each such bill.~~

~~(d) All bills for the recycling service charge shall be rendered by the village collector at the same time as the bills for water service charges are rendered.~~

Sec. 70-39. - Applicability.

The restrictions imposed herein in this chapter shall apply to all dumpsters, storage containers, or any similar obstruction placed on any public street, public sidewalk, or public alley at any time, or moved across public right-of-way for placement on private property.

Sec. 70-40. - Registration required.

All persons, companies, corporations, or entities providing any dumpster or storage container in the village must obtain a business license in accordance with section 22-76 or as otherwise provided by the village code and submit a bond with corporate surety conditioned to indemnify the village for any damage done to any village property, including curbs and pavement. Such bond shall be in the principal amount of \$10,000.00 payable to the village in the event of any breach of the conditions of such bond.

Sec. 70-41. – Temporary dumpster or container pPermit required; fee.

(a) A temporary dumpster or container permit shall be valid for ten (10) days and is renewable upon review and approval of the supervisor of public works and other necessary village officials or their designees. A container permit is required for all such obstructions, whether placed on public or private property. The permit must be obtained from the village by the owner or authorized agent of the owner of the property where the dumpster, foldable dumpster, or container will be placed or utilized.

(b) The container permit fee shall be \$50.00 for the first ten (10) days, unless extended for an additional seven (7) days. Only one seven-day extension is allowed without the requirement of a payment of an additional fee. Any additional extensions would require an additional \$50.00 permit beyond the first ten (10) day initial period and seven (7) days extended period.

(c) The service providing the dumpster, foldable dumpster, or container must have a current business license with the village in order for the village to issue a container permit.

Sec. 70-42. - Location and placement.

(a) All containers unless otherwise permitted by the village, must be located on private property. The placement of containers on public alleys or parkways is strictly prohibited. Where it is not possible to place a dumpster on private property, a maximum 20-yard dumpster may be placed in the street in accordance with the provisions of this section and this chapter as a whole, and any other applicable provisions of the village code. Storage units, foldable dumpsters, or other containers are prohibited from obstructing any portion of the public way.

(b) No such obstruction shall be allowed to be placed in any manner so as to block any public street, sidewalk, or alley for use by vehicles, pedestrians, or bicycles. No such obstruction shall be allowed to be placed within 15 feet from the corner of any street or alley.

(c) It is the responsibility of the permit applicant to ensure that the placement of the obstruction does not interfere with snow removal, street cleaning, or capital improvements.

Sec. 70-43. - Care of public way.

(a) The owner or authorized agent of any property owner obstructing the public way with a dumpster or container must place a flashing barricade, obtained by the owner, on either side of the obstruction.

(b) Any container traversing the public parkway must have padding, plywood, or a like material placed under the unit to prevent damage to or depressions in the public way.

(c) The container permit applicant is responsible for any damage to the public right-of-way. The applicant will be notified of the cost of repair, based on the current cost assessed by the department of public works. Failure to pay the cost of repairs within 30 days will result in a \$750.00 fine.

Secs. 70-44—70-60. - Reserved.

DIVISION 2. - PRECOLLECTION PRACTICES

Sec. 70-61. - Separation.

Refuse, recyclables, yard waste and ashes, shall be placed and maintained in separate containers from other refuse.

Sec. 70-62. - Preparation.

(a) All refuse before being placed in garbage cans for collection, shall have drained from it all free liquid and may be wrapped in paper. All cans and bottles which have contained food shall be thoroughly rinsed and drained before being deposited for collection.

(b) All refuse intended for collection shall be sorted in such a manner as to prevent a nuisance. No refuse of any description shall be placed or stored in an uncovered receptacle. It shall be the duty of the owner, tenant, occupant, or person in control of the premises of all residential dwelling units to maintain such receptacles in good repair and to store refuse properly therein. Burning of refuse, yard waste or debris in the open or in any fireplace or incinerator shall be prohibited. Refuse shall be deposited in containers approved by the village and such containers shall be securely tied or shut in such manner so as to prevent any leaking, blowing, spilling, or scattering of contents when

stored outside. No refuse shall be stored outside the container, dumpster or refuse receptacle.

(c) It shall be unlawful to cause to accumulate in any area, refuse, or to allow to remain on any premises any refuse, of any kind in such quantities and in such condition to constitute a nuisance or public health hazard. It shall be unlawful to cause to accumulate any yard waste, including leaves, grass, underbrush, branches, or other combustible matter on any property except in a compost pile as established and maintained in a manner prescribed by the village, but only where such compost pile is placed in such a way so as not to allow materials to be windblown, and which does not emit odors as to be readily detectable at any point along lot lines, or so as to produce a public nuisance or hazard beyond lot lines.

(d) It shall be unlawful for any person within the village to deposit or place for collection any yard waste, unless the yard waste is properly prepared as follows: All yard waste must be separated from regular refuse and be placed in a nonreturnable biodegradable paper bag or in a rigid container, having a capacity of not more than 35 gallons and not exceeding 50 pounds in weight.

(e) It shall be unlawful for any person within the village to deposit or place for collection any recyclables, unless the recyclables are properly prepared in a manner as prescribed by the village.

(f) It shall be unlawful for any person within the village to deposit or place for collection any loose and larger single items of debris or refuse, unless the same be properly prepared as follows:

(1) Loose items of debris or refuse shall be deposited in approved containers as defined, and containers shall be tied or shut in such a fashion so as to prevent the leaking, blowing, littering, or scattering of contents when stored outside or placed for collection. All refuse containers must be secure, the lid must be closed, and refuse must not be overflowing. Any items that do not fit in the refuse container must be in a solid sided container with handles with a capacity of not more than 32 gallon and not weighing more than 50 pounds. No excess garbage that does not fit in the refuse container may be left on the ground. Appliances and other white goods are not eligible for pick-up by the Village's waste contractor and the resident or owner must contact the Village to have said item picked up or disposal of, if such item is eligible for pick-up or disposal. Larger single items of debris or refuse, including branches exceeding three inches in diameter shall not be bundled in packages of more than 50 pounds in weight. There shall be a limit of one cubic yard of such debris or refuse per stop or per pick-up.

(2) It shall be the duty of the owner, tenant, occupant or person in control of the premises to arrange for the special pickup of sod, earth, rocks, concrete, rubble, and other debris exceeding one cubic yard per stop, as well as all trees, tree stumps or trunks, and branches over three inches in diameter that exceed 50 pounds in weight.

(g) No hazardous waste or other prohibited waste shall be placed with refuse for collection.

(h) All electronic waste or e-waste shall be disposed of in accordance with the Illinois Electronic Products Recycling and Reuse Act (415 ILCS 5/1 et seq., as amended), and as otherwise required by law.

Sec. 70-63. - Containers generally.

Refuse containers shall be provided by the village or approved by the village for all single-family buildings within the village. Refuse containers shall not be provided for multifamily units or businesses. Containers for yard waste and for ashes shall not have a capacity for more than 35 gallons. Yard waste in plastic bags will not be collected. The village supervisor shall have the authority to refuse collection services for failure to comply with this section.

Sec. 70-64. - Placement of containers for collection.

Refuse containers shall be placed in the following manner:

- (1) For curb collections, in the front of the residence at the curblineline to be readily accessible for refuse collection vehicles, but so located as to not obstruct any street, alley or right-of-way.
- (2) For alley collections, at the alley lot line to be readily accessible for refuse collection vehicles, but so located as to not obstruct the right-of-way of any alley or street.
- (3) At all other times, except as provided in subsections (1) and (2) of this section, such receptacles, if placed out-of-doors, shall be placed to the rear of the principal building on such premises; provided, however, that the receptacles shall in no event be so placed or maintained as to constitute a nuisance or annoyance to adjacent property or the occupants thereof.
- (4) All yard waste and (except as provided in section 70-38) recyclables shall be placed for collection only at curbside in front of residences.
- (5) It shall be unlawful to allow or permit any refuse container, yard waste or recycling collection bin to stand or remain on any parkway, drive, or front yard before 6:00 p.m. on the day preceding collection, or after 10:00 p.m. on the day of collection.

Sec. 70-65. - Unauthorized collection or interference.

It shall be unlawful for any person other than the village or other authorized persons to disturb, collect or in any manner interfere with refuse, yard waste, recyclables, debris, or white goods or other waste eligible for collection by the village or its contractor placed at curbside and in public places for collection by the duly authorized collection service or to interfere in any manner with any refuse or yard waste receptacle.

Sec. 70-66. - Unlawful removal of or damage to recyclables.

It shall be unlawful for any person other than the village or other authorized persons to knowingly remove or damage any recyclables placed in or adjacent to recycling collection bins for collection by the duly authorized collection service; or to remove or damage the recycling bins themselves.

Secs. 70-67—70-85. - Reserved.

DIVISION 3. - RESIDENTIAL SOLID WASTE AND RECYCLING COLLECTION REGULATIONS

Sec. 70-86. - Garbage.

Unless otherwise required by law or as a result of a contract or agreement between the village and a refuse collection company, the Village of Stickney Solid Waste Practices and Procedures (the "Practices and Procedures") shall govern garbage pick-up. These Practices and Procedures shall be available to all residents of the village at village hall. The practices and procedures shall apply to regular waste, special pick-up items, and appliances.

Sec. 70-87. - Recycling.

Unless otherwise required by law or as a result of a contract or agreement between the village and a refuse collection company, tThe Village of Stickney Solid Waste Practices and Procedures shall govern recycling and pick-up of recyclable goods, which shall be available to all residents of the village at village hall. The practices and procedures shall apply to all items that qualify as recyclables under the Village of Stickney Solid Waste Practices and Procedures.

Sec. 70-88. - Yard waste.

(a) Unless otherwise required by law or as a result of a contract or agreement between the village and a refuse collection company, tThe Village of Stickney Solid Waste Practices and Procedures shall apply to all yard waste, vegetation, including leaves and will govern their waste disposal. The Village of Stickney Solid Waste Practices and Procedures handout shall be available to all residents of the village at the village hall. The village shall not provide disposal services for excessive yard waste. Excessive yard waste shall mean any waste that is not disposed of in accordance with the practices and procedures. Yard waste including leaves, shall be placed in either a paper lawn/leaf bag or a rigid container not to exceed 35 gallons or 50 pounds in weight.

(b) It shall be unlawful to burn leaves or any other yard waste within the village.

(c) ~~It shall be unlawful to place any leaves or other yard waste into the street without being in a sanctioned container.~~

Sec. 70-89. - Penalty for violation of section provisions.

Any person found guilty of violating any of the provisions of this section ~~chapter~~ or the Village of Stickney Practices and Procedures, upon conviction thereof, shall be issued a fine of not less than ~~\$50.00~~ \$100.00 nor more than ~~\$200.00~~ \$750.00.

Each failure to comply with the provisions of the section ~~chapter~~ or the Village of Stickney Solid Waste Practices and Procedures with respect to each person shall be considered a separate offense. A separate and distinct offense shall be regarded as committed each day during or on which such person shall continue or permit any such violation.

Sec. 70-90. - Reserved.

SECTION 3.1. OTHER ACTIONS AUTHORIZED.

The officers, employees and/or agents of the Village shall take all action necessary or reasonably required to carry out, give effect to and consummate the amendments contemplated by this Ordinance and shall take all action necessary in conformity therewith. The officers, employees and/or agents of the Village are specifically authorized and directed to draft and disseminate any and all necessary forms or notices to be utilized in connection with the intent of this Ordinance.

**ARTICLE III.
HEADINGS, SAVINGS CLAUSES, PUBLICATION,
EFFECTIVE DATE**

SECTION 4. HEADINGS.

The headings of the articles, sections, paragraphs and subparagraphs of this Ordinance are inserted solely for the convenience of reference and form no substantive part of this Ordinance nor should they be used in any interpretation or construction of any substantive provision of this Ordinance.

SECTION 5. SEVERABILITY.

The provisions of this Ordinance are hereby declared to be severable and should any provision of this Ordinance be determined to be in conflict with any law, statute or regulation by a court of competent jurisdiction, said provision shall be excluded and deemed inoperative, unenforceable and as though not provided for herein and all other provisions shall remain unaffected, unimpaired, valid and in full force and effect.

SECTION 6. SUPERSEDER.

All code provisions, ordinances, resolutions, rules and orders, or parts thereof, in conflict herewith are, to the extent of such conflict, hereby superseded.

SECTION 7. PUBLICATION.

A full, true and complete copy of this Ordinance shall be published in pamphlet form or in a newspaper published and of general circulation within the Village as provided by the Illinois Municipal Code, as amended.

SECTION 8. EFFECTIVE DATE.

This Ordinance shall be effective and in full force ten (10) days after its passage, approval and publication in accordance with Illinois law.

PASSED this 17th day of September, 2019.
