

Village of Stickney Sewer Impact Fee

At the March 22, 2023, Village meeting, the board adopted a five-dollar a month sewer impact fee. Each residential unit which is connected to the Village's sewer system shall be assessed this fee to defray the cost of repairs, maintenance, and the service to our sewer system.

Industrial businesses will be assessed a \$ 25.00 per month fee.

The impact fee shall be implemented beginning on May 1, 2023, and will be reflected on your water bill.
